

Company Profile

TORO INFRASTRUCTURE

About Us

We are one of the leading construction company in Coimbatore having more experience in constructing Residential Buildings and commercial buildings like Office buildings, School buildings, Marriage Halls, Hospital building, shopping complexes, Industrial Factory Buildings, Hostel Buildings etc., We have been in this Construction field for the last **26 years** and delivered the product with good quality.

Company Overview

TORO Infrastructure fully concentrated on construction and other allied aspects of the business. We are very careful in constructing buildings by following all sequences and equally careful in choosing our suppliers based on quality. With a strong workforce of 15+ professionals supported with technology and an inspiring work environment, TORO Infrastructure collaborates with all partners and creates a mutually beneficial situation for our customers and end-users. The company's capabilities span the entire scope of construction civil & structural, electrical and Plumbing works etc.

Customer First

Always we will ensure customer satisfaction, this is our first priority to our all staffs. Our team is committed, resourceful, responsible and responsive and we put customers first to ensure that all their needs and demands are met. Every Constructed building reflects this strong commitment, from design and construction to the last detail, utmost care and dedication is brought in to ensure that each project of our firm showcases the benchmark of our quality.

Our mission has always been to keep all our customers happy. Similarly, we also ensure the happiness to our workers and suppliers too who work with us.

Mission

To deliver the product to customer without any defect & will complete within the stipulated time. Always ensure the making of product with good quality through continuous innovation.

Vision

To be the most Preferred brand in Building construction work.
